### **DA Sunday Comments on Release of the Attorney General's Grand Jury Report**

**York, PA** – We find the information contained in the Attorney General's grand jury report highly disturbing and the acts detailed therein reprehensible. Like many of you, we are just receiving this information and are in the process of reviewing each of the alleged incidents that occurred in York County, as detailed in the report. We will conduct this investigation with due diligence, as we do with all matters that come before us. When additional information is gathered, we will certainly release that information in accordance with the Criminal History Records Information Act (CHRIA), Pennsylvania's Right to Know Law (RTK) and our ethical duties as prosecutors.
