York County Drug Task Force Arrests Man in Possession of Cocaine and Two Handguns

York, PA – During the late afternoon hours of Tuesday, June 25, 2019 York County Drug Task Force officers concluded a one week investigation when they arrested Wilfredo Dabren Torres-Rivera, age 22, at his residence located in the City of York.

During the past week, Drug Task Force officers purchased cocaine from Torres-Rivera at his residence at 256 Liberty Court. Based upon those purchases, police obtained a search warrant for the residence. That search warrant was executed yesterday afternoon. Torres-Rivera was present at the time. Investigators located approximately 225 grams of cocaine, two handguns, \$4,600 cash and drug packaging materials. Torres-Rivera was subsequently charged with Possession with the Intent to Deliver Cocaine.

The Office of Attorney General/Bureau of Narcotics Investigation, Bureau of Alcohol, Tobacco and Firearms and the York City Police Department assisted the Drug Task Force with this investigation. Pennsylvania Attorney General Josh Shapiro said, "This arrest is another example of the importance of collaboration between local law enforcement, the Office of Attorney General's Strategic Response Team, and our Bureau of Narcotics Investigation. Shutting down drug dealers, especially those who are armed with illegal guns, makes our neighborhoods safer and protects our children and communities. Our approach to the drug epidemic is a multi-faceted approach that starts with getting drugs and those who deal them off the streets."

"Our Drug Task Force constantly seeks to attack the source of illegal narcotics and arrest those dealers who prey on individuals struggling with addiction," Sunday said. "Along with our partners in law enforcement, we will continue to use every tool available to us in order to aggressively arrest and prosecute those who are perpetuating the drug epidemic that is tearing our community apart. "This investigation and arrest is yet another example of our state and federal partners' continual commitment to providing York County with the critical resources needed to combat illegal narcotics and firearms."
