### Press Release

#### **Judge's Citation Withdrawn for an Independent Review**

**York, PA** – This afternoon, the Office of the District Attorney received the citation and surrounding information from the York City Police Department regarding the incident involving Judge Matthew Menges. These materials included footage that we need to fully process and review to determine the appropriate steps in this matter. Accordingly, we have requested that the York City Police Department withdraw the summary citation so that we may complete an independent and thorough review.
