Press Release

District Attorney to Restrict Office Visits

York, PA – The health and safety of our employees, law enforcement community, and members of the public remain my number one priority. Consistent with guidance from medical professionals and CDC standards, as well as actions taken by Governor Tom Wolf, the Administrative Office of Pennsylvania Courts, the York County Court of Common Pleas, and the York County Commissioners, effective tomorrow, Tuesday, March 17, 2020, I am closing my office to all non-employees of the Office of the District Attorney who do not have an appointment.

While the District Attorney's Office will remain open for business and be staffed by employees, meetings with non-employees that happen within the District Attorney's Office will occur by appointment only. Therefore, anyone seeking to file a Private Criminal Complaint or Accelerated Rehabilitative Disposition (ARD) paperwork should call in order to set up a meeting. Additionally, any defense counsel/court related agency wishing to serve motions or any other legal filings on this office should contact us by phone so that we may receive such filings in a timely manner.

These rules shall be in effect until further notice, and will be modified or ended based upon the guidance of medical professionals. We thank you in advance for your patience and understanding during these unprecedented times.
