### Press Release

## York County Drug Task Force Auction

**York, PA** – The York County District Attorney's Office will be holding its semi-annual Drug Task Force Auction virtually this year. Due to the continued COVID-19 pandemic and the ongoing governmental restrictions, it makes having an in-person auction impractical.

We have chosen Municibid ([www.municibid.com](http://www.municibid.com)) to host and sell our items. Auctions will be public, open to any person who has created a Municibid account and followed all their requirements to bid on the website. All auctions will run a minimum of 10 days. All items will have to be collected within 5 business days of the conclusion of the auction and all items must be paid for in cash. Credit cards and checks are not accepted. All vehicles, upon purchase, will need to have the title and registration completed and the taxes paid, as in years past, at Schaad Detective Agency.

Until an in-person auction can occur again, vehicles and small items will be continually sold on Municibid. To view a list of any active auctions, you are free to visit <https://munibid.com/Browse?Seller=YorkCountyDTF>. The first lot of cars and small items will be placed for auction starting October 9, 2020.
